

General Conformity Certificate

In accordance with 15 U.S.C. § 2063 (a), the parties identified in section 3, 4 and 5 (as applicable) hereby certify, based on a reasonable testing program (third party testing, as applicable) that the product identified below complies with the regulations, rules, bans and/or standards identified in section 2.

Issue Date: 01.05.2009

1. Specific product covered by this certificate: **Liquid Drain Build-Up Remover**

2. Specific regulation(s), rule(s), ban(s), and/ or standard(s) for which this product is being certified:

**Federal Hazardous Substance Act – 16 CFR Commercial Practices Chapter II Consumer Product Safety
Commission Subchapter C 1500**

**Poison Prevention Packaging Act – 16 CFR Commercial Practices Chapter II Consumer Product Safety
Commission Subchapter E 1700**

3. Domestic or foreign manufacturer (as applicable) certifying compliance:

Name: **Whink Products Company**
Mailing Address: **1901 15th Ave Eldora IA 50627**
Telephone number: **800-247-5102**

4. Importer certifying compliance (provide this information only if the product is imported): **Not Applicable**

5. Private labeler certifying compliance (provide this information only if there is a private labeler): **Not Applicable**

6. Individual maintaining records of the test results upon which this certification is based:

Name: **Director of Technical Services**
Mailing Address: **1901 15th Ave Eldora IA 50627**
Telephone number: **641-939-2353**

7. Date and place where this product was manufactured:

Varies: Indicated on each shipping case and bottle by standard ten-character code (abbbccccc)
a – 1 digit year; (e.g. 9 = 2009)
bbb – the three-digit Julian calendar date (001-365, 366 for Leap Years)
ccccc – unique batch and location code for manufacture

8. Date and place where this product was tested for compliance with the regulation(s), rule(s), ban(s), and/or standards cited above:

Date(s) of test reports: **Not Applicable**

Address (es) where testing occurred: **Not Applicable**

Product not tested for compliance, as the need for cautionary labeling is determined based on product type, and internal product safety assessment of the individual product, conducted prior to introduction.

9. Third party laboratory (ies) that conducted testing upon which this certification is based (provide this information only if this certification is based, in whole or in part, on testing conducted by one or more third party laboratories): **Not Applicable**
